ABOUT THE DEVELOPMENT

Theatre Square is an iconic landmark in North West London's desirable area of Swiss Cottage, with 130 premium apartments to rent plus 54 affordable housing. The building will provide the Winch community group with a brand new modern home as well as ground floor retail spaces for exciting new shops, cafes and restaurants.

The building sits above Swiss Cottage Tube station, giving you direct access to the very best that London has on offer.

Inside, Theatre Square features an on-site 24-hour residents' team – on hand to help with any issue, whether big or small – as well as a large social space, including a welcoming lobby, lounge areas to relax with a book, a private dining room that can be rented out, and a games room to enjoy with your friends. For a more active lifestyle, you can get fit in your 23rd floor fitness room, which is equipped with high-end gym equipment looking over the London skyline.
